

## Comm100 CCPA Terms

These Comm100 CCPA Terms ("**CCPA Terms**") supplements the Comm100 EULA available at <https://www.comm100.com/eula/> or other agreement between Customer and Comm100 Network Corporation ("**Comm100**") when the California Consumer Privacy Act of 2018 ("**CCPA**") applies to your use of the services to process "personal information" (as defined in CCPA) that is uploaded to your Comm100 accounts ("**Personal Information**"). Unless otherwise defined in these CCPA Terms, all capitalized terms used in these CCPA Terms will have the meanings given to them in the EULA.

Comm100 agrees and certifies that Comm100 will not: (a) retain, use, or disclose Personal Information except as permitted in the EULA and under CCPA; or (b) sell Personal Information. These CCPA Terms do not limit or reduce any other data privacy commitments Comm100 makes to you in the EULA.
